### **Town of Athol Inspector of Wires (Electrical Inspector)**

The town of Athol seeks a motivated and experienced candidate for the part-time (20 hour/wk) position of Inspector of Wires. Appointed by the Town Manager, the Inspector of Wires works under the administrative direction of the Building Inspector to ensure equitable enforcement of applicable electrical codes and regulations under Massachusetts General Laws. The incumbent reviews permit applications and plans, assists and informs applicants, responds to complaints, issues electrical permits, inspects work sites and completes all related tasks.

High school diploma, valid driver's license and licensure as an electrician in good standing within the Commonwealth of Mass. required. The successful candidate will have a thorough knowledge of current Massachusetts Electrical and Building codes and regulations and have the ability to read and interpret blueprints, drawings and plans.

Complete position description available at [www.athol-ma.gov](http://www.athol-ma.gov). Position is a member of the SEIU Local 888 collective bargaining unit with a starting hourly rate DOQE of \$28.94 TO \$32.58 plus generous municipal benefits package.

For consideration submit resume and cover to: Town Manager, 584 Main St., Athol, MA 01331, or via email to [selectmen@townofathol.org](mailto:selectmen@townofathol.org). Review of candidates will begin immediately; position open until filled. EOE.
